SECTION 12 – GRANDFATHERED SERVICES

12.1 General

Grandfathered Services are those services no longer offered to new Customers following the date specified for each service in this section of this pricing and service guide. For existing Customers, the effect of grandfathering a service will depend on the form or type of grandfathering stated for each grandfathered service offering. Grandfathered services as listed in this section of the pricing and service guide are classified as grandfathered according to the following types.

- | | |
|--------|---|
| Type 1 | Customers may continue to use the grandfathered service arrangement and may add to, change, move or transfer the service as required. |
| Type 2 | Customers may continue to use the grandfathered service arrangement and may make changes to the arrangement as long as service continues to be provided at the same Customer Premises. However, no additions to the arrangement or transfers/moves of service to new locations are permitted. |
| Type 3 | Customers may continue to use the grandfathered service arrangement and may move or transfer the service as required. However, no additions or changes to the service configuration is permitted. |
| Type 4 | Customers may continue to use the grandfathered service arrangement. However, no additions, changes, moves or transfer of service are permitted. |
| Type 5 | Used to indicate that the terms and conditions associated with grandfathering the service are service-specific and stated in the pricing and service guide pages grandfathering the offering. |

Grandfathered services are furnished subject to all rules and regulations of this pricing and service guide the same as would be applicable if the service offering were not grandfathered. In addition, the Company reserves the right to revise rates, terms, conditions, rules and regulations associated with grandfathered services from time to time.

SECTION 12 – GRANDFATHERED SERVICES

12.5 Type 4 – Grandfathered Services (continued)

12.5.19 Business International Savings Plan (Grandfathered 12/31/2011)

(A) The Business International Savings plan is a direct dialed outbound international long distance service offered to Business Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Per minute charges apply and will be based on the country called and the duration of the call. Customers must dial 1 plus the country code or area code, if applicable, and the terminating number to complete a call utilizing this service.

(B) All calls are billed in six (6) second increments after an initial period, for billing purposes, of thirty (30) seconds. This service is only offered in conjunction with any BellSouth® Business domestic service. MMU charge applies to this service. The Customer will be billed the minimum usage charge if actual usage is below the commitment level in any month. Usage over the minimum usage charge may be carried over to future months to satisfy the commitment.

(C) International Mobile Termination Charge

See Section 6.4.1 of this pricing and service guide for the applicable International Mobile Termination Charge.

(D) Rates and Charges

The MMU charge is \$24.95, and the per-minute usage rates are as follows:

SECTION 12 - GRANDFATHERED SERVICES

12.5 Type 4 – Grandfathered Services (continued)

12.5.26 AT&T Business Unlimited CallingSM III (continued)

- (B) A single business entity with more than one BTN at the business entity's physical service location is eligible for this plan on one (1) BTN only, provided the total number of AT&T business access lines do not exceed ten (10) at that location. Additionally, service under this plan is limited to one BTN with one (1) to four (4) business access lines per legal business entity.
- (C) The Customer may subscribe to this plan for outbound Service only, or for both outbound Service and inbound toll-free calling. Customers subscribing to the plan receive unlimited domestic 1+ direct-dialed outbound calling. Where a Customer subscribes to AT&T Long Distance Toll FreeSM Service, inbound toll-free calls may originate on any type of access and are terminated via Switched Access to the Customer's location. (See Section 4.4 and Section 3 of this pricing and service guide for optional feature, rules and regulations, and general information regarding AT&T Long Distance Toll FreeSM Service).
- (D) Inbound switched toll-free calls and fully automated operator assisted, and operator dialed calls billed to the calling card are not included in the unlimited MOUs. Toll free calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of thirty (30) seconds. Calling card calls are billed in one (1) minute increments subject to a minimum connect time (initial period) of one (1) minute. Toll free calls and calling card per minute rates and per call charges associated with this plan are subject to change with prior notification to the Customer.
- (E) Call Detail is available as an optional feature to this plan. For an additional MRC, Customers who select this option will receive itemized call detail of their zero-rated calls. Activation and deactivation of the feature will begin within the next billing cycle following a Customer's request. Customers may add or remove the Call Detail optional feature from this plan at no charge.
- (F) AT&T All for Less Subscriber 2-Year (24 Month) Agreement
 - .1 If during the 2-Year term the Customer adds or removes access lines under this plan, the 2-Year term will restart for a new 2-Year term. Customers who remain on this plan at the expiration of the 2-Year term will be billed on a month-to-month basis at the rates defined in Section 12.5.26 (H).
 - .2 If prior to the expiration date of the 2-Year agreement the Customer chooses to terminate long distance service with the Company, the Customer may be charged the following Early Termination Fee (ETF) based on Option 1, Option 2 or Option 3 defined above:
 - Option 1 - \$5.00 multiplied by the number of months remaining in the term
 - Option 2 - \$2.50 multiplied by the number of months remaining in the term
 - Option 3 - \$2.50 multiplied by the number of months remaining in the term
 - .3 If the Company no longer offers this plan and if the Customer: (a) moves to a new location; or, (b) changes the number of access lines under the BTN(s) to which this plan applies, then Customer's service under this plan will terminate, and Customer will not be subject to termination charges.

(G) Restrictions

- .1 All business access lines and/or working lines under the participating BTN must be provisioned on this plan and term discounts do not apply to this plan.
- .2 This plan is provided for standard voice calling involving live dialog between individuals. This plan is not intended for use as a substitute for dedicated or open circuits, or similar applications. This plan may not be used for data connections, including but not limited to, modem to modem calls, remote access applications, Internet access, or Intranet access, including access to corporate LANs. Additionally, this plan may not be used for dedicated point-to-point connections between equipment that leaves a circuit connected without a contemporary, continuous voice communication. This plan may not be used for any of the following: auto dialers; PBX trunks; ground start line or trunks; ISDN service, including PRI; foreign exchange services; Remote Call Forwarding/Telebranch Service; public telephone service; public access smart-pay phones; analog to digital conversion; digital PBX service, including local access provisioned via T-1 facilities; WATS service; PBX/PABX/EABX services; non-square electronic key telephone systems; hybrid key telephone systems; predictive calling/dialing systems; automatic outbound dialing systems; any type of automatic call distribution system; or the functional equivalent of any such systems listed above. This plan may be used for fax transmissions, excluding broadcast fax applications. If the Company determines that the Customer is in violation of the above listed restrictions, the Customer shall forfeit eligibility for rates under this plan and will be moved to Business MTS unless an alternative plan is selected by the Customer. If, during a billing cycle, the Customer has more than 10 calls to any single number of a duration of more than 3 hours each or any single call of greater than 10 hours of duration, the Customer will be presumed to be in violation of these restrictions. In such case, Customer may be asked to provide reasonable proof to the Company that it is not using the Service for a prohibited purpose. Failure to provide such proof to the Company shall be treated as a violation of the terms and conditions of this Plan.
- .3 If the Company determines that the Customer is in violation of any of the restrictions listed above and/or the total number of Access Lines exceeds the maximum of ten (10), the Customer shall forfeit eligibility for rates under this plan and will be moved to Business MTS unless an alternative plan is selected by the Customer. If moved to Business MTS, the rates associated with Business MTS will apply in lieu of the rates specified in (H) below.

SECTION 12 - GRANDFATHERED SERVICES

12.5 Type 4 – Grandfathered Services (continued)

12.5.28 AT&T Business Unlimited CallingSM V (continued)

- (D) TFS calls, multi-party conference calls (except those calls placed by using the Three-Way Calling feature are included), calls to 900, 976, 700 numbers or other calls to access information services, directory assistance, operator services and international calling are not included in the unlimited minute of use. TFS calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of thirty (30) seconds. TFS calls per minute rates associated with this plan are subject to change with prior notification to the Customer.
- (E) Call Detail is available as an optional feature to this plan. For an additional MRC, Customers who select this option will receive itemized call detail of their zero-rated calls. Activation and deactivation of the feature will begin within the next billing cycle following a Customer's request. Customers may add or remove the Call Detail optional feature from this plan at no charge.
- (F) Term Agreement
 - .1 1-Year term agreements may be oral agreements that do not require a signed Agreement. 2-year term agreements require a signed Agreement.
 - .2 Written agreements must be signed under any method accepted by the Company, including electronically, and must be received by the Company within thirty (30) calendar days from the order date. If the Company does not receive the Customer's signed agreement within the thirty (30) calendar days, and the Service has been provisioned in reliance on the Customer's order for Service, the Service will be provided on a month-to-month basis and the Customer will be billed the month-to-month rates specified in Section 4.6.25(I).
 - .3 The 1-Year agreement includes an option to re-subscribe for up to two additional 1-Year terms. AT&T will provide Customer a confirmation letter outlining the details of the agreement. In addition, AT&T will provide subsequent notifications regarding the upcoming re-subscription option at least 60 days prior to the expiration date of the initial and first renewal term (if applicable); and, unless Customer requests otherwise before the expiration date, a new 1-Year renewal term will commence under the same terms and conditions. Should Customer decide to disconnect the Service prior to the expiration of any 1-Year term, Customer may be liable for early termination charges. At the end of the second renewal, the Customer will be billed the month-to-month rates specified in Section 12.5.28 (I).
 - .4 If the Customer selects the 2-Year term, at the expiration of the 2-Year term the Customer will be billed the month-to-month rates specified in Section 12.5.28 (I).
 - .5 If the Company no longer offers this Plan, and if the Customer moves to a new location or changes the number of access lines under the BTN(s) to which this Plan applies then the Customer's Service under the Plan will terminate, and the Customer will not be subject to termination charges.

SECTION 12 - GRANDFATHERED SERVICES

12.5 Type 4 – Grandfathered Services (continued)

12.5.28 AT&T Business Unlimited CallingSM V (continued)

(G) Early Termination Fee

- .1 If prior to the expiration date of the initial or any renewal term, Customer chooses to either:
 - .a terminate long distance service with the Company: or,
 - .b change its calling plan from the AT&T Business Unlimited CallingSM V prior to the expiration of the Term Agreement, the Customer may be charged an early termination fee ("ETF"). The ETF shall be \$5.00 multiplied by the number of months remaining in the term. Customer may change its calling plan to the AT&T Business Block of Time II Plan (rate option 500 minutes or greater) as specified in Section 12.X of this pricing and service guide; in such case, ETF shall not apply.
- .2 The Company will not charge an ETF if Customer cancels this Plan if at the same time the Customer agrees to replace some or all their existing service with Internet Protocol (IP) service, Wireless, or any functionally equivalent service from an Affiliate of the Company for the purpose of placing outbound and/or inbound live voice communications outside of the Customer's local calling area.

- (H) This plan is provided for standard voice calling involving live dialog between two individuals. This plan is not intended for use as a substitute for dedicated or open circuits, or similar applications. This plan is not available for resale. This plan may not be used for data connections, including but not limited to, modem to modem calls, remote access applications, Internet access, or Intranet access, including access to corporate LANs. Additionally, this plan may not be used for dedicated point-to-point connections between equipment that leaves a circuit connected without a contemporary, continuous voice communication. This plan may not be used for any of the following: auto dialers; PBX trunks; ground start line or trunks; ISDN service, including PRI; foreign exchange services; Remote Call Forwarding/Telebranch Service; public telephone service; public access smart-pay phones; analog to digital conversion; digital PBX service, including local access provisioned via T-1 facilities; WATS service; PBX/PABX/EABX services; non-square electronic key telephone systems; hybrid key telephone systems; predictive calling/dialing systems; automatic outbound dialing systems; any type of automatic call distribution system; or the functional equivalent of any such systems listed above. This plan may be used for fax transmissions, excluding broadcast fax applications. If the Company determines that the Customer is in violation of the above listed restrictions, the Customer shall forfeit eligibility for rates under this plan and will be moved to Business MTS unless an alternative Plan is selected by the Customer. If, during a billing cycle, the Customer has more than 10 calls to any single number of a duration of more than 3 hours each or any single call of greater than 10 hours of duration, the Customer will be presumed to be in violation of these restrictions. In such case, Customer may be asked to provide reasonable proof to the Company that it is not using the Service for a prohibited purpose. Failure to provide such proof to the Company shall be treated as a violation of the terms and conditions of this plan.

12.5.29 AT&T® United Kingdom and Germany Value Plus Plan (Grandfathered 12/01/2005)

- (A) The AT&T® United Kingdom and Germany Value Plus Plan is a direct dialed outbound international long distance service offered to residential Customers on switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the country code or area code, if applicable, and the terminating number to complete a call utilizing this service.
- (B) For a MRC, the Customer receives a block of 3,000 minutes for placing (1) 1+ Direct-Dialed International calls originating in the United States from a Customer's presubscribed line and terminating to Germany and United Kingdom. All usage in excess of the block of time will be billed at a fixed rate per minute. Calls are billed in one (1) minute increments after an initial period, for billing purposes, of one (1) minute. This plan does not provide call detail information on the Customer's monthly bill for calls to Germany, except for applicable international mobile termination charges. Call detail information for international calls to other countries will be provided. This plan is only offered in conjunction with the Company's Domestic Service. Customers may not subscribe to more than one international calling plan on the same account.
- (C) Per minute charges apply to calls to other international countries based on the country called and the duration of the call in addition to the MRC. An international wireless termination charge applies to all applicable calls.
- (D) In order to be eligible for this plan, the Company must be able to verify that the Customer meets the following eligibility requirements. Customers who no longer meet these eligibility requirements will not be eligible for this plan and may be offered an alternative plan or have their service suspended, restricted or canceled without notice.
 - .1 This plan is available to Customers with one to three lines at a location.
 - .2 Customers must subscribe to the Company's Affiliated ILEC.
 - .3 This plan is not available on an account that is the recipient of charges billed from another location.
 - .4 Customer lines associated with educational institutions (colleges, universities, etc.) are not eligible for this plan.
 - .5 The block of time minutes cannot be used for calls that include multi-party conference calls (except those calls placed by using the Three-Way Calling features are included), calls to 900 numbers or other calls to access information services, directory assistance, operator services, international calling to countries other than Germany, domestic calls, and toll-free calling services. This plan is not available for resale.
 - .6 If usage under this plan is not consistent with typical residential Customer usage, at the Company's sole discretion, the Company may offer the Customer an alternative plan or suspend, restrict or cancel the Customer's service without prior notice. Calls that are not consistent with typical residential voice usage include but are not limited to: use for general business purposes, commercial facsimile, auto-dialing, resale, international call forwarding, call centers, long distance access to internet service providers and telemarketing.

SECTION 12 - GRANDFATHERED SERVICES

12.6 Type 5 – Grandfathered Services (continued)

12.6.2 AT&T Business Unlimited CallingSM IV (continued)

- (C) A single legal business entity with more than one BTN at that legal business entity's physical service location is eligible for this plan on one (1) BTN only, and only if the total number of business access lines does not exceed ten (10) at that location. Additionally, service under this plan is limited to one BTN with one (1) to ten (10) business access lines per legal business entity.
- (D) The Customer may subscribe to this plan solely for outbound long distance calling, or for both outbound long distance calling and inbound toll free calling. Customers subscribing to the plan receive unlimited domestic 1+ direct-dialed outbound calling. Where a Customer subscribes to TFS, inbound toll-free calls may originate on any type of access and are terminated via Switched Access to the Customer's location. See Section 3 and Section 4.4 of this pricing and service guide for optional features, rules and regulations, and general information regarding TFS.
- (E) TFS calls, calls to 900, 976, 700 numbers or other calls to access information services, directory assistance, operator services and international calling are not included in the unlimited minutes of use. Toll-free calls are billed in increments of six (6) seconds subject to a minimum connect time (initial period) of thirty (30) seconds. TFS calls per minute rates associated with this plan are subject to change with prior notification to the customer.
- (F) **Restrictions**

This plan is provided for standard voice calling involving live dialog between individuals. This plan is not intended for use as a substitute for dedicated or open circuits, or similar applications. This plan may not be used for data connections, including but not limited to, modem to modem calls, remote access applications, Internet access, or Intranet access (including access to corporate LANs). Additionally, this plan may not be used for dedicated point-to-point connections between equipment that leaves a circuit connected without a contemporary, continuous voice communication. The plan may not be used for auto dialers; PBX trunks; ground start line or trunks; ISDN service, including PRI; foreign exchange services; Remote Call Forwarding/Telebranch Service; public telephone service; public access smart-pay phones; analog to digital conversion digital PBX service, including local access provisioned via T-1 facilities; WATS service; PBX/PABX/EABX services; nonsquare electronic key telephone systems; hybrid key telephone systems; predictive calling/dialing systems; automatic outbound dialing systems; any type of automatic call distribution system; or the functional equivalent of any such systems listed above. This plan may be used for fax transmissions, excluding broadcast fax applications (which are prohibited). Where customer has more than 10 calls to any single number of a duration of more than 3 hours each during a billing cycle or any single call of greater than 10 hours of duration, Customer will be presumed to be in violation of these restrictions. In such case, Customer may be asked to provide reasonable proof to the Company that it is not using the Service for a prohibited purpose. Failure to provide such proof to the Company shall be treated as a violation of the terms and conditions of this plan.

12.6.2 AT&T Business Unlimited CallingSM IV (continued)

(G) Call Detail

Call Detail is available as an optional feature to this Plan. For an additional MRC Customers who select this optional feature will receive the itemized call detail of their zero-rated calls. Activation and deactivation of the feature will begin within the next billing cycle following Customer's request. Customers may add or remove the Call Detail optional feature from this Plan at no charge.

(H) Early Termination Fee (ETF)

- .1 If prior to the expiration date of the Term Agreement, the Customer chooses to either: (a) terminate long distance Service with the Company; or (b) change its calling Plan from AT&T Business Unlimited CallingSM IV prior to the expiration of the Term Agreement, the Customer may be charged an Early Termination Fee ("ETF"). The ETF shall be \$2.50 multiplied by the number of months remaining in the term. Customer may change its calling Plan to the AT&T Business Block of Time II Plan (rate option 700 minutes or greater) as specified in Section 4 of this pricing and service guide; in such case ETF shall not apply.
- .2 The Company will not charge an ETF if Customer cancels this Plan if at the same time the Customer agrees to replace some or all their existing service with Internet Protocol (IP) service, Wireless, or any functionally equivalent service from an Affiliate of the Company for the purpose of placing outbound and/or inbound live voice communications outside of the Customer's local calling area.

(I) Rates and Charges:

(A) The outbound long distance MRC is as follows:

1-Year Term:	\$10.00 per access line
Month-to-Month:	\$12.50 per access line

(I)

Customers will receive a monthly bill credit reward amount equal to \$5.00 per line for the duration of the 1-Year Term Agreement. During the 1-Year Term, Federal Universal Service Fee, Federal Regulatory Fee, taxes and other similar fees and surcharges will be calculated on the MRC prior to the calculation of the monthly bill credit reward amount.

(B) The AT&T Long Distance Toll FreeSM Service per-minute usage rate is \$0.055. For the AT&T Long Distance Toll FreeSM Service MRC, see Section 4.4 of this pricing and service guide.

(C) Call Detail

12.6.6 AT&T Unlimited Canada Calling¹

(C)/2/

(A) AT&T Unlimited Canada Calling is a direct dialed outbound international long distance service offered to residential Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. AT&T Unlimited Canada Calling provides unlimited minutes of international outbound Canada usage for a flat rate monthly charge. Per minute charges apply to calls to other international countries based on the country called and the duration of the call in addition to the Monthly Recurring Charge. An international wireless termination charge applies to all applicable calls. Customers must dial 1 plus the country code or area code, if applicable, and the terminating number to complete a call utilizing this service.

(B) Calls not included in unlimited calling are billed in one (1) minute increments after an initial period, for billing purposes, of one (1) minute. This plan does not provide call detail information on the Customer's monthly bill for unlimited calls to Canada, except for applicable mobile termination charges, but does provide call detail information for international calls to other countries. Customers may not subscribe to more than one international calling plan on the same account.

(C) Eligibility Requirements

In order to be eligible for this plan, the Company must be able to verify that the Customer meets the following eligibility requirements. Customers who no longer meet these eligibility requirements will not be eligible for this plan and may be offered an alternative plan or have their service suspended, restricted or canceled without notice.

- .1 Customers must subscribe to a local plan as defined and offered by the Company's Affiliated ILEC and must meet all the plan eligibility requirements. If the Company moves the Customer from one of the domestic unlimited plans above to another domestic plan due to prohibited usage, the Customer will no longer be eligible for this plan and will be offered an alternative international plan at the Company's sole discretion.
- .2 This plan cannot be used for any use inconsistent with residential service.
- .3 This plan is not available on an account that is the recipient of charges billed from another location.
- .4 Customer lines associated with educational institutions (colleges, universities, etc.) are not eligible for this plan.
- .5 Unlimited calling to Canada does not include multi-party conference calls (except those calls placed by using the Three-Way Calling features are included), calls to 900 numbers or other calls to access information services, directory assistance, operator services, international calling to countries other than Canada, domestic calls, and toll-free calling services.
- .6 This plan is not available for resale.
- .7 If usage under this plan is not consistent with typical residential Customer usage, at the Company's sole discretion, the Company may offer the Customer an alternative plan or suspend, restrict or cancel the Customer's service without prior notice. Calls that are not consistent with typical residential voice usage include but are not limited to: use for general business purposes, commercial facsimile, auto-dialing, resale, international call forwarding, call centers and telemarketing.
