/1

## Service Availability

Beginning June 1, 2021, new orders for these services will no longer be accepted. Current subscribers may keep their service at its existing location. The Company currently plans to discontinue this service on or after June 1, 2025.

(N)

(N)

Effective March 19, 2016, the Company will discontinue the following call types and services: Collect, Person to Person, Bill to Third Number, and Busy Line Verification/Interruption.

/1

## A. DESCRIPTION

Customer-owned pay telephone (COPT) service provides an access line for use with a pay telephone set (including pay telephone sets owned by the Utility) which is equipped with Touch-Tone dialing capability. Access lines can be ordered for use with an instrument-terminated pay telephone set ("smart set") or a central office-terminated pay telephone set ("dumb set"). Most services can be ordered as either "outward only" or "bothway" service.

This service allows the customer, within certain limitations, to establish the call rate for sent paid local and long distance calls placed from the COPT. The customer, for purposes of this service, is the person or entity, including the Company, who subscribes to the access line.

## B. TERRITORY

Within the exchange areas of all exchanges as said area is defined on maps filed as part of the tariff schedules.

## 1. CUSTOMER OWNED PAY TELEPHONE (COPT) SERVICE (contd)

/2/

## C. REGULATIONS (contd)

## 1. General (contd)

1. Rates for extended service include service without additional charge in the exchanges and district areas listed in Guidebook, Part 4, Section 1 and exchanges and district areas listed in Guidebook, Part 4, Section 1 Zone 1 and 2, which indicates the local service areas.

Rates for other than extended service include local service without additional charge to all stations receiving service from the exchanges from which the primary station is served.

Rates for service for other than that shown above, refer to Guidebook, Part 9, Section 1.

m. The Utility may offer operator assistance on non-sent paid calls originating from any COPT telephone.

n. Aggregation of pay telephone sets behind a PBX is allowed to the extent that the PBX/COPT Configuration allows 9-1-1 dispatchers to determine the geographical origin of emergency calls to the same extent currently allowed for conventional telephones. If the PBX/COPT configuration does not allow this level of identification of the call's origin, aggregation will not be allowed.<sup>1/</sup>

/2/

<sup>1/</sup> Exceptions: Services provided to the U.S. Government and State of California locations requiring special handling of telephone calls are exempt from these requirements.

/2/
