- a. The rates for trunking include the trunk line facilities except foreign exchange trunk line facilities necessary to furnish the Centrex service. Where the customer requests tie line facilities be connected to local trunk facilities, the rates for trunking include the trunk line facilities necessary to permit tie line type facilities to make such connection. The rates for Centrex lines include the switching equipment necessary to furnish the Centrex service features.

Provision of Centrex with attendant transfer, station transfer and a combination of attendant transfer and station transfer.

- (1) A customer Centrex system may consist of all stations arranged for attendant transfer, all stations arranged for station transfer, or some stations arranged for attendant transfer and some arranged for station transfer.
- (2) The minimum monthly rates for Primary-Centrex with attendant transfer and Primary-Centrex with station transfer "first 2 lines or less" apply to each group of primary stations arranged for either attendant transfer or station transfer.
- b. Centrex service with station transfer shall be furnished only where all stations are served from one switching equipment.
- c. Dormitory flat rate service may be furnished concurrently with a measured rate Centrex service.
- d. Centrex service will be furnished within the base rate area at the rates shown in rates and charges, D.4. following and Guidebook, Part 5, Section 1 for CO and Restricted Centrex Service.
- e. Dormitory lines furnished in D. following, have the same service features as the Centrex service with which they are associated. In addition, the following is also applicable to dormitory stations.
  - (1) The lines include service equivalent to that of residence individual line service outlined in Guidebook, Part 4, Section 2, Local Exchange Service. For Centrex-CO Dormitory Service charges (Guidebook, Part 3, Section 1) apply for new service, additions, in place connection, move and changes.
  - (2) The lines will be furnished to schools, colleges and universities who are customers to Primary Lines, as shown in D. following, and may be installed only in the living quarters of residence halls, dormitories, faculty or other employee residences and other similar living quarters, which are owned or leased and operated by a school, college or university and the use of such stations is in accordance with that for residence service as shown under Schedule Cal.P.U.C. No. A2.1., Rules.
  - (3) Extension stations may be furnished only where the intended use of such stations is for the occupants of the rooms or space for which the primary stations are furnished.

Message Waiting Indicator is available to Centrex Service, Airport Intercommunicating Service, COMMSTAR II, Individual Line Residence and Business Exchange Service, Private Branch Exchange Trunk Line Service, or other Company provided dialable lines where dial tone is normally served. The following conditions apply:

- Customers must arrange to forward their calls to a Centrex-UCD equipped with Forwarded Call Information service, as defined in u., preceding or Network Forwarded Call Information as defined in v. preceding.
- In addition to the rates and charges associated with Message Waiting Indicator, customers must subscribe to one or more of the Call Forwarding USOCs listed in u., preceding. However, MWI and Call Forwarding features are not required on the same line.
- The Message Waiting Indicator customer and the Forwarded Call Information equipped system must be served by the same C.O.

**1. CENTREX** (cont'd)**A. General** (cont'd)**1. Regulations** (cont'd)

- af. Repeat Dialing, Priority Ringing, Select Call Acceptance and Select Call Forwarding are only available on calls that originate and terminate in central offices that are suitably equipped, with the exception of Select Call Forwarding and Select Call Acceptance as set forth in C.73. and C.75. following.

The local loop range (distance) for a particular loop may vary depending on available technology; thus, feature operation or availability of certain features may be limited. Consequently, these features will be provided only where central office facilities and operating conditions permit.

Variations in the switching and control equipment used may cause differences in the operation or availability of certain features, therefore, certain features may be incompatible or not available with customer provided Electronic Business equipment, FRS, ARS-D, Tie Lines, 800 lines, 900, 976, Service Codes (411, 811, 911), Operator Assisted calls, Foreign Exchange Service and from Remote Switching Systems (1AESS and 1ESS central offices).

When a customer elects to change an access code associated with Repeat Dialing, Priority Ringing, Select Call Forwarding and/or Select Call Acceptance, a Miscellaneous Change Charge as set forth in D. following is applicable.

## a. The Answer

The Company will waive and or discount the nonrecurring charges of the Centrex lines, Service Establishment Charge (SEC) and Classic Feature Package (CFP) for new Centrex customers or existing Centrex customers ordering a new common block. The amount the Company will waive and or discount depends upon the customer's line size and the length of term agreement.

In order to receive the waiver or discounts, the customer is required to have:<sup>1</sup>

- (1) a minimum of two Centrex lines (may include Centrex EBS lines, however may not include Centrex ISDN lines)
- (2) Classic Feature Package on each line; and
- (3) either a 12, 24 or 36 month term agreement.

The chart below determines the customers' waiver and or amount of discounts.

The Company will waive, and or discount the non-recurring charges of the Centrex lines, Service Establishment Charge (SEC) and Classic Feature Package (CFP) and give a credit to the recurring monthly rate of the Centrex lines for new Centrex customers returning from another provider to the Company. The amount the Company will waive, discount or credit depends upon the customer's line size and the length of term agreement.

In order to receive the waiver, discounts or credit, the customer is required to have:<sup>1</sup>

- (1) a minimum of three Centrex lines (may include Centrex EBS lines, however may not include Centrex ISDN lines)
- (2) Classic Feature Package on each line; and
- (3) either a 12, 24 or 36 month term agreement.

/1/ Effective April 1, 2003, the Optional Calling Plan requirement to qualify for The Solution is no longer necessary. Customers in current term offerings must complete their agreement under the terms and conditions at the time they entered into their agreement.

## c. A Little Something Extra

The Company will apply a monthly credit per Centrex line of the recurring monthly rate for Centrex customers who are adding lines to their existing Centrex, for Centrex customers who express a desire to leave the Company and/or for new customers. The amount the Company will credit depends upon the customer's line size and the length of term agreement.

In order to receive the credit the customer is required to have:<sup>1</sup>

- (1) a minimum of two Centrex lines (may include Centrex EBS lines, however, may not include Centrex ISDN lines), and
- (2) either a 12, 24 or 36 month term agreement.

Customers that subscribe to a Classic Feature Package (CFP) on each line are eligible to receive a waiver of the non-recurring charge of the Classic Feature Package.

In order to receive the non-recurring charge (NRC) waiver of the Classic Feature Package (CFP), the customer is required to have:<sup>2</sup>

- (1) a minimum of two Centrex lines (may include Centrex EBS lines, however, may not include Centrex ISDN lines), and
- (2) either a 12, 24 or 36 month term agreement.

/1/ Effective April 1, 2003, the Optional Calling Plan requirement to qualify for A Little Something Extra is no longer necessary. Customers in current term offerings must complete their agreement under the terms and conditions at the time they entered into their agreement.

/2/ Effective December 4, 2005, the per line Classic Feature Package (CFP) requirement to qualify for A Little Something Extra is no longer required. Customers in current term offerings must complete their agreement under the terms and conditions at the time they entered into their agreement.

Standard Centrex early termination fees will apply. This credit option is not available to customers covered under an Individual Case Basis (ICB) Contract.

e. Nonrecurring Charge Waiver Options

(N)

New Service

Nonrecurring charges associated with the installation of new Centrex service will be waived for new, winback and win customers. In addition, existing Centrex subscribers moving their Centrex service to a new location are eligible. Customers must agree to sign a 24-month or 36-month term agreement under any of the following Centrex term offerings: The Answer, The Solution or A Little Something Extra. The customer must install a minimum of 8 station lines. Nonrecurring charges will be waived for each analog or ISDN BRI Station connected during installation of the Centrex system.

Additional Lines

Nonrecurring charges associated with the installation of new Centrex stations will be waived for existing customers who agree to install a minimum of 3 additional stations and add the stations to an existing agreement.

These Waiver Options are not available to customers covered under Individual Case Basis (ICB) contracts.

f. 12 and 24 Month Term Extension Option

With this option, existing Centrex customers who have 12 months or less remaining on their existing 24-month or 36-month term agreement (purchased under one of the following Centrex term offerings: The Solution or A Little Something Extra), may extend their term agreement for either an additional 12-month or 24-month period at the same rates provided under the original term agreement. Customers may extend their term agreement up to three times. Customers who exercise the option to extend the term of the agreement are not entitled to a different rate based on the overall term of the agreement as extended (i.e., customers with an initial 24-month agreement and extend it by an additional 12 months are not entitled to the rates allowed under a 36-month agreement). The extension will begin on the expiration date of the existing agreement or extension. This extension option is not available to customers covered under an Individual Case Basis (ICB) Contract.

**1. CENTREX (cont'd)****A. General (cont'd)****2. Centrex Term Offerings (cont'd)****d. Business Solutions (cont'd)**

Customers must verbally commit to a minimum 12-month term agreement to receive the Business Solutions Discount.

In the event of early termination, customers will be charged an early termination fee equal to the Business Solutions credits applied to their account from the time of the verbal commitment until early termination.

If a customer exceeds their 12-month verbal commitment, they will continue to receive monthly credits as long as they continue to qualify pursuant to the regulations as set forth within this Guidebook.

A customer may migrate from one Centrex term offering to another Centrex term offering and not incur early termination fees as long as:

- (1) All working lines under the current term offering are migrated to the new term offering
- (2) The new term agreement is greater than the current term agreement and they have been on their current term for at least 4 months.

Customers subscribing to Centrex services governed under 96A Contract may not participate in Business Solutions.

This package is available to business customers who have Centrex or Centrex EBS working lines only, where facilities and operating conditions permit.

**B. BASIC FEATURES**

1. Centrex CO service may be provided from Electronic Switching System (ESS) or Digital Switching System (DSS), including but not limited to the DMS 100 and #5ESS type central office equipment located on the Company's premises. The service is furnished subject to the availability of the necessary switching and control equipment. Variations in the switching and control equipment used may cause differences in the operation or availability of certain features.

Centrex CO Service consists of two basic, distinct components: Basic Centrex Features and Basic Centrex Access.

- a. The Basic Centrex Features component provides the call-processing features included in basic Centrex service as set forth in 3. following.
- b. The Basic Centrex Access connects the customer's premises to the Company's CO. The use of these facilities is limited to those services provided for in this Guidebook. Basic Centrex Access consists of all the Company's CO equipment, including exchange access trunking, and outside plant facilities that are needed to connect the serving CO to the Company Network Interface or its equivalent.

A separate rate element applies to each component as provided for in D. following.

The record of calls will be provided on a magnetic tape when the customer subscribes to Supplemental Billing Service in Guidebook, Part 8, Section 8.
- b. The AMA record will provide the following call detail:
  - Calling Number (The number of the line, attendant or incoming Tie Line/Special Access Voice Grade Channel)
  - Called Number (1-24 digits)
  - Connect Time
  - Disconnect Time
  - Date
- c. SMDR-TAMA is available only from central offices which are suitably equipped and facilities and operating conditions permit.

1. **CENTREX** (cont'd)

## C. Optional Features (cont'd)

## 81. Area Wide Centrex (cont'd)

- e. Regulations set forth in this schedule are in addition to rules and regulations set forth in Schedule Cal.P.U.C. No. A2. for Network and Exchange services. Area Wide Centrex is offered as follows: (Cont'd)
- (7) A customer must have at least two separate Centrex systems within a LATA.
  - (8) For every Centrex system that has multiple sites, at least one of those sites must have AWC on all lines.
  - (9) When expanding AWC, to an additional site, all lines at that site must have AWC.
  - (10) 900 or 976 Telephone numbers are not included in AWC.
  - (11) AWC applies to voice bearer channel calls. MTS usage rates apply to all data bearer channel calls as set forth in Guidebook, Part 9, Section 1 and are in addition to AWC service Charges.
  - (12) All AWC service customers must subscribe to AWC and the standard dialing plan (cannot be a part of an "Assume 9" Centrex).
  - (13) AWC customers are responsible for notifying the Company of any adds, moves or changes to their AWC service.
  - (14) The AWC dialing plan can include non-Centrex telephone numbers as terminating numbers, however, calls to these numbers will be billed at MTS usage rates as set forth in Guidebook, Part 9, Section 1.
  - (15) MTS usage rates apply to all completed calls that are not intra-system/intra-LATA calls that do not originate and terminate on Centrex stations. MTS usage rates are found in Guidebook, Part 9, Section 1. and are in addition to AWC service charges.

## 82. Centrex Routed Number

Centrex Routed Number routes calls to a Centrex system telephone number to an answering point at the customer's location. This feature includes the Centrex telephone number and the routing facility. Calls must be routed within the customer's common block. Customers are charged a route index establishment installation charge, per route established, and a monthly charge for each telephone number routed as set forth in Section D.9.h., following.

Centrex Routed telephone numbers do not count towards the System Establishment Charge (SEC).
