ACCESS SERVICE
4 - End User Access Service (Cont'd)

4.6 Rate Regulations (Cont'd)

- (N) When an end user is provided a local exchange service which is not identified as Centrex, Business Service or Residence Service (e.g., Farm Service, Local Service), the Telephone Company will designate the service as Centrex Type Services, Business Service or Residence Service. The charges as set forth in 4.7 following for Centrex Type Services, Business Subscriber or Residence Subscriber in accordance with the designation will apply.
- (O) With the exception of Federal Universal Service Fund (FUSF) Surcharges recovered from Special Access end user customers described in Section 4.6(P) following, the Telephone Company will recover the FUSF Surcharge through flat-rated, monthly charges. FUSF Surcharges, as set forth in 4.7(F), following, will be billed to the end user subscriber of the associated local exchange service, with exception to Lifeline and Reseller customers.

Dormitory lines that receive residential treatment as described in Section 4.6(C) preceding will be assessed the Primary or Additional Residential FUSF Surcharge as set forth in 4.7(F), following.

- (P) The Federal Universal Service Fund (FUSF) Surcharge recovers the Telephone Company's contributions to the Universal Service Support Mechanisms. Customers may certify exemption from FUSF Surcharges at the ACNA level, BAN level or circuit level. Certification at the ACNA level will exempt all BANs under the ACNA. Certification at the BAN level will exempt only the specified BANs. A customer must annually certify exemption from FUSF Surcharges.

A Federal Universal Service Fund (FUSF) Surcharge will be assessed to recurring and non-recurring end user customers. The monthly charge will be applied at the billing account level. The charge will be determined monthly by multiplying the current quarterly Federal Universal Service Fund (FUSF) Surcharge contribution factor, listed below, as released by the F.C.C., by the end user customer's monthly billing account level charges.

FUSF Surcharge Contribution Factor

0.265
