**INTERCEPTION OF SERVICES**

Interception of Services (IS) is provided to customers for the purpose of notifying calling parties about changes in the status of the called party's telephone line. Interception of Services includes: Temporary Intercept (TI), and Ameritech Intercept Referral Extension Service (AIRES). This service is classified as local exchange telecommunications service. (C) (C)

**A. Temporary Intercept****1. General**

- a. Temporary Intercept (TI) is an arrangement which enables a customer to have incoming calls intercepted for periods not to exceed one month.
- b. This arrangement is provided with any type of telephone exchange service shown in Part 4, Section 2 and with semipublic service. Regular exchange and semipublic service billing continues during the period of interception. In addition this arrangement may be provided with Business Basic Exchange ports and Residence Basic Exchange ports as shown in Part 19, Section 1.
- c. Service will be temporarily intercepted or restored to normal subject to receipt of the customer's request in sufficient time to permit the Company to do the required work.
