

**1. AMERITECH ISDN DIRECT<sup>/1/</sup>**

This section sets forth the Ameritech ISDN Services made available by Illinois Bell Telephone Company to Carrier for resale to its customers. General terms, conditions, service and feature descriptions as described in Illinois Guidebook, Part 17 and herein apply where appropriate, unless otherwise specified in this Part. The application thereof is to Carrier with regard to service ordering, repair requests or billing responsibility and to Carrier's Customer when designating service location, use, activation, configuration, or sizing.

(T)

(For service description, see Illinois Guidebook, Part 17, Section 1.)

(T)

Provides integrated voice/data communications capability for transmission of and to combine circuit switched voice and data signals on an incoming and outgoing basis over a single ISDN line. This service requires two 64 Kbps B channels to transmit any combination of Circuit Switched Voice/Data and one D channel to carry network signaling. It is available from specially equipped digital switching equipment located in AT&T's Central Office and where facilities permit and where capacity is available and within specified distances from the serving central office. A maximum of 8 devices may be connected directly to an ISDN line and only 2 of these devices are permitted to access the two B channels.

/1/ ISDN Direct will not be provided to new Carriers on and after August 11, 1997. A Carrier with ISDN Direct service in this Section on, or prior to, August 11, 1997, may continue to receive service provided, however, that such Carrier may not extend, renew, or otherwise lengthen the term of such arrangement.

The Technical Reference can be obtained from:

APEx Support Team  
(734) 523-7348

**3. AMERITECH INTEGRATED SERVICES DIGITAL NETWORK (ISDN) DIRECT SERVICE  
(cont'd)**

**F. PRICES**

The prices shown for Ameritech ISDN Direct are exclusive of local and toll charges and associated customer premises equipment.

Charges for other services or features normally applied on a per line basis apply on a per telephone number basis for this service.

Ameritech ISDN Direct lines are also subject to End User Common Line (EUCL) charges. (See Other Applicable Charges and Payments.) The Carrier's customer shall be liable for all adjustments to the EUCL charge per Ameritech ISDN Direct line, per month, as authorized or mandated by the Federal Communications Commission (or by any regulatory body or commission or court of competent jurisdiction).

Charges for the loop, EUCL, usage and optional features are based upon the Carrier's customer's class of service.

Charges for usage and optional features will be applied on a per channel service capability basis.

When the Carrier's customer's premises and the central office providing Ameritech National ISDN Direct are located in different Service Areas, Ameritech Base Rate charges will apply. (See Other Applicable Charges and Payments.) Carrier's customers provided this service arrangement will require three Interexchange Mileage component charges and six Channel Mileage Termination charges for each Ameritech ISDN Direct line they purchase.

In cases where the Carrier's customer's premises are in Independent Telephone Company (ITC) serving areas, the Company will assess Ameritech Base Rate Interexchange Mileage charges only to the point of meet with the ITC or intermediate ITC. Charges for ITC services will be assessed by the ITC.

/1/ Effective July 1, 2002, 84-Month Term Payment Plans will no longer be available for ISDN Direct Service. Current Carrier's ISDN Direct 84-month customers may continue to retain their existing service as is at their current address until the 84-month contract term expires. Any Carrier's customer requested changes to the existing Service will require the Carrier's customer to select a new contract term payment plan or the month-to-month option at the then current tariff rates. Ameritech will not impose termination liability to those Carriers' customers required to make a contract term change. Upon completion of the 84-month TPP term, Carrier's customers may continue receiving the Service at the then-current rates under any available payment plan. If the Carrier's customer does not select a new payment plan and does not request discontinuance of the Service, the month-to-month tariff rates in effect at such time will automatically apply.

/2/ Effective October 14, 2011, Term Payment Plans are no longer available for new installations or renewals of ISDN Direct Service. Carrier's ISDN Direct customers currently on a Term Payment Plan may continue service at their existing TPP rate until the contract term expires. Upon completion of the current contract term, Carrier's customers may continue receiving the service at the then current month-to-month rates. If the Carrier's customer does not request discontinuance of the service, the month-to-month tariff rates in effect at such time will automatically apply.
