

This section sets forth the Central Office Optional Features made available by Illinois Bell Telephone Company to Carrier for resale to its customers. General terms, conditions, service and feature descriptions as described in Illinois Guidebook, Part 7 and herein apply where appropriate, unless otherwise specified in this Part. The application thereof is to Carrier with regard to service ordering, repair requests or billing responsibility and to Carrier's Customer when designating service location, use, activation, configuration, or sizing. (T)

1. CUSTOM CALLING FEATURES

Custom Calling Services

(For service description, see Illinois Guidebook, Part 7, Section 1)

<u>Description</u>	<u>Monthly Price, per line</u>	<u>Residence</u>	<u>Business</u>
Speed Calling - 8 Number List /ESL/ - 30 Number List /ESF/ ^{3/}	\$3.40 ^{1/} (I) --	/2/ \$3.62	

Allows the Carrier's customer to call other telephone numbers by dialing a code rather than the complete telephone number

/1/ On Residence service, when any combination of Custom Calling Services, Advanced Custom Calling Services, Multi Ring Service, and/or including Speed Calling (but Excluding Caller ID, Caller ID with Name, and Call Trace), are provided on the same line, a \$.17 reduction in the monthly rate will apply per Carrier residential customer, per line for each such additional service per line. Also, if one such service is provided on the same line with Caller ID, a \$.24 reduction in the monthly rate for Caller ID will apply per Carrier residential customer, per line.

Generally, Call Forwarding, Speed Calling and Three-way Calling features can be furnished to individual lines or trunks within a hunting group. However, when provided with certain hunting arrangements all lines or trunks have access to the features and only one Speed Calling list is available to the group. In such cases, per Carrier customer, one charge for Speed Calling is applied to the group; one charge for Call Forwarding is applied to the group; and charges for Three-way Calling apply to each line in the group as appropriate.

/2/ Speed Calling 8 is withdrawn for business customers effective October 31, 2013.

/3/ Speed Calling 30 will no longer be provided to residence customers effective June 15, 2013.
