EXCHANGE LINES AND USAGE (cont'd)**A. Rates (cont'd)**

3. Urban service rates shown in the rate schedule are applicable within the urban basic service area (base rate area) shown on the related base rate area map for the exchange or zone. Urban service provides one-party Exchange Service. The mileage charge, specified in Part 4, Section 5, is applicable when urban service is furnished outside the base rate area.
4. Measured Service^{/1/}
 - a. This service is offered to business customers on an individual (one-party) basis where facilities permit. (C)
 - b. Measured Service consists of a charge for the exchange access line and usage charges as shown in e., following.
 - c. Usage charges in e., following, apply to all outgoing calls, except those that are placed to the Company (i.e., Directory Assistance, repair service, business office), toll and authorized local emergency number, 911.
 - d. Applicable Service and Equipment Charges for conversion to or from these services will not apply for existing customers for the first 180 days after the service is initially offered in the customer's serving central office.
 - e. Rates
 1. Exchange Access Lines (Refer to rate tables, Sheet 2 through Sheet 5, preceding.)
 2. Usage Charges – All Bands for all Distances

<u>Distance in Miles</u>	<u>Initial Minute Rate</u>	<u>Each Additional Minute Rate</u>
0 - over 28	\$0.06	\$0.03

3. The method of applying usage charges:
 - Initial period rates indicated in e.2, preceding, are for connections of one minute or any fraction thereof.
 - All additional minute rates indicated in e.2, preceding, are for each additional minute or any fraction thereof that the connection continues beyond the initial period.
 - The timing of messages begins when connection is established between the calling telephone and the called telephone and ends when the connection is terminated at any point

/1/ Effective May 6, 2016, Measured Service is no longer available for residence customers.

g. Discount Periods

The following percentages will apply to local calls made during the discount periods:

	Mon	Tue	Wed	Thur	Fri	Sat	Sun
8:00 AM to 5:00 PM	Day Rate Period Full Rate					Eve. Rate 20%	
5:00 PM to 11:00 PM	Evening Rate Period 20% Discount						
11:00 PM to 8:00 AM	Night Rate & Weekend Rate Period 35% Discount						

- Discounts are applied by discount period to the total number of initial minutes and additional minutes accumulated during the billing period.
- When the application of the discount results in a fractional charge, the amount will be rounded to the nearest cent.
- In cases where a message begins in one rate period and ends in another, the rate in effect at the time the connection is established applies.

h. Optional Detail Billing^{/2/}

EXCHANGE LINES AND USAGE (cont'd)**A. Rates (cont'd)**

5. Message Rate Service^{/1/} (C)
- a. Customers contracting for message rate service are billed monthly at rates specified in the this Part plus charges for local messages in excess of the message allowance, if any, used during the preceding month.
 - b. The monthly period for the message allowance begins on the first billing date following the date of connection. For the fraction of the month preceding the message period, a proportionate part of the monthly contract rate is billed and a proportionate allowance of local messages is made; excess messages, if any, are charged for in each excess message rate step in like proportion.
 - c. When a customer changes to or from message rate service, a proportionate part of the monthly contract rate and a corresponding allowance of local messages are made for the fraction of the billing period during which Message Rate Service is used; excess messages, if any, are charged for in each excess message rate step in like proportion.
 - d. If the allowance is not used in any one month, no credit of messages not used is applied against messages used in any other month.
 - e. The furnishing of flat and message rate services on the same premises is not permitted except as specified in this Part 2, Section 2 of the Guidebook under the Paralleling Service (E.2.).
 - f. Unless otherwise requested by the customer, all message rate services of the same class furnished the same customer from the same central office designation and installed on the same customer premises are considered collectively in determining the message allowance and excess messages. However, message rate services of the same class or of different classes furnished the same customer and installed on different premises or with different central office designations are not considered collectively in determining message allowances and excess messages.

/1/ Effective May 6, 2016, Message Rate Service is no longer available to residence customers. (N)

HUNTING LINE SERVICES**A. General**

These services are available to one-party customers where facilities exist:

Rotary Hunt. The hunt for an idle line starts with the called line in a prearranged group and ends with the last line in the group, completing the call to the first idle line encountered. Unless the first line is called, only a portion of the group is hunted.

Circle Hunt. This feature permits a complete hunt sequence over all the lines in a prearranged group. If no idle line is encountered, the hunt will continue until it reaches the line that was originally called.

B. Rates

The rates set forth below apply to each line arranged for Hunting Line Service.

	<u>USOC</u>	<u>Monthly Rates</u>	<u>Installation Charge</u> ^{/1/}
Rotary	HSHT	N/A	N/A ^{/2/}
Circle	HSCH	\$21.00 (I)	\$3.25

/1/ Installation charges apply in addition to the *Service and Equipment Charge* as specified in Part 3, Section 1, paragraph C.4.b.10.

/2/ This charge is waived, if applicable, if the customer subscribes to Custom BizSaver and this hunting feature is required to establish a Multiline bundle or establish an Additional Line (Option 2) and is coming to AT&T Missouri from another carrier.

TOUCH-TONE CALLING SERVICE

Touch-tone Calling Service provides for the origination of calls by means of instrumentalities equipped for tone-type signaling. The service is furnished in connection with individual service. There is no monthly rate or Service and Equipment charge associated with Touch-tone.

All existing rotary lines will be automatically converted to Touch-tone on a scheduled basis at no charge by December 31, 1995. Effective March 1, 1995, all new customers will receive Touch-tone Calling Service at no charge.
