## A2. GENERAL REGULATIONS

### A2.4 Payment Arrangements And Credit Allowances (Cont'd)

#### A2.4.2 Deposits (Cont'd)

- C. The fact that a deposit has been made in no way relieves the applicant or subscriber from complying with the Company's regulations as to advance payments and the prompt payment of bills on presentation or constitutes a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of any sums due the Company.

- A. The subscriber is responsible for payment of all appropriate charges for completed calls, services, and equipment. All charges due by the subscriber are payable at the Company's Business Office or any agency duly authorized to receive such payments. If objection in writing is not received by the Company within thirty days after the bill is rendered, the account shall be deemed correct and binding upon the subscriber.
- B. The subscriber shall pay monthly in advance or on demand all charges for service and equipment and shall pay on demand all charges for long distance service and billed local usage. Basic monthly charges are billed in advance. Toll charges for long distance services and additional charges for local usage are billed in arrears. - E. In its discretion, the Company may restore or reestablish service which has been suspended or disconnected for non-payment of charges, or otherwise discontinued, terminated or interrupted, prior to payment of all charges due. Such restoration or reestablishment shall not be construed as a waiver of any rights to suspend or disconnect service for non-payment of any such or other charges due and unpaid or for the violation of the provisions of this Guidebook; nor shall the failure to suspend or disconnect service for non-payment of any past due account or accounts operate as a waiver or estoppel to suspend or disconnect service for non-payment of such account or of any other past due account.

- A. Applicants for service who have no account with the Company or whose financial responsibility is not a matter of general knowledge, may be required to make an advance payment at the time an application for service is placed with the Company, equal to the installation charges if applicable and at least one month's charges for the service provided. In addition, where the furnishing of service involves an unusual investment, applicants may be required to make payment in advance of such portion of the estimated cost of the installation or construction as is to be borne by them. At such time as the contract is terminated the amount of the deposit is credited to the customer's account and any credit balance which may remain is refunded. At the option of the Company such a deposit may be refunded or credited to the customer at any time prior to the termination of the contract.   - 50% of the total nonrecurring charges will be billed in the first monthly billing period after the charges are incurred, and 25% of the total nonrecurring charges plus an Extended Billing Plan Charge will be billed in each of the following two monthly billing periods.
  - The Extended Billing Plan Charge is calculated at a rate of 1.0% per month or 12% annually, on the unbilled balance of the nonrecurring charges.
  - If the customer disconnects service before the expiration of the plan period, all unbilled charges plus the Extended Billing Plan Charge, if applicable, will be included in the final bill rendered.

The two percent late payment charge will apply to all new undisputed charges on a subscriber's previous month's bill that were not paid prior to the next billing date.
