

1. CENTREX DORMITORY LINES**A. TERMS AND CONDITIONS**

1. Listings

(C)

For Residence (Dormitory) Service, individual names are listed alphabetically only in the Company's Listing Information System at the charge specified for Extra Listings for residence service as specified in Part 12, Section 1, in this Guidebook. (C)

2. General

Individual Centrex dormitory station lines are normally not equipped with Toll Diversion. Under certain circumstances, however, this feature may be used to control MTS or zone calling.

3. Suspension of Service

Suspension of service, except for Dormitory Service station lines, is not offered for Centrex Systems.

CENTREX (cont'd)**/1/****DORMITORY STATION LINES****/2/****1. General**

- a. Colleges, universities and hospitals using Centrex service for administrative purposes may provide Dormitory Station Lines in the living quarters (dormitory, apartment, etc.) provided by the institution for its students, faculty members, or other employees, where the major use of the service is of a social or domestic nature.
- b. The following features are included in the rates specified for Centrex Dormitory Station Lines:
 - Direct inward dialing
 - Direct outward dialing (unregulated)
 - Identified outward toll dialing (unregulated)
 - Station to station calling, including communication with administrative lines, within the Centrex system (unregulated)
 - Call transfer-attendant (unregulated)
 - TOUCH-TONE Calling service
- c. The institution will be responsible for payment of all rates and charges for Centrex Dormitory Station Lines except where the Company and the institution have agreed that the Company will be responsible for collecting Message Toll, Zone Message and Directory Assistance charges from individual station users.
- d. Centrex customers subscribing to Dormitory Station Lines must also subscribe to a minimum of 20 administrative station lines.
- e. Dormitory Station Lines may be temporarily disconnected (e.g., for summer) and later, may be reconnected at charges specified in Part 3.

2. Special Billing Arrangement for Dormitory Station Lines
 - a. A Special Billing Arrangement is available to colleges, universities and hospitals for station lines serving living quarters of students, faculty members or employees.
 - b. Regulations
 - (1) The Company will bill and collect Directory Assistance Service Charges, Message Toll Charges and zone call charges sent paid from or received collect at such station lines.
 - (2) The regulations set forth for deposits and payment for service in Part 2, Section 2 shall be applicable to individual users.
 - (3) Billing and Collecting
 - (a) The college or university decides whether it will bill the individual users or the Company will bill the individual users.
 - (b) When the Company bills the individual users, the college or university shall agree that in the event of nonpayment of any charges billed to a student, faculty member or employee, the college or university, upon the request of the Company, shall provide a toll diversion arrangement or disconnect the station line used by that student, faculty member or employee until the charges due have been paid.
 - (c) The Service Charge to change customer records is applicable to establish a Special Billing Arrangement on each station line as specified in Part 3. A Miscellaneous Service Charge is not applicable to change an individual student's name associated with a Special Billing Arrangement. Subsequent to the establishment of a Special Billing Arrangement, the nonrecurring charge to add or remove Toll Diversion as specified elsewhere in this Guidebook may apply.
3. Rates and charges for Centrex dormitory station lines are the same as the One Party Flat Rate 400 Residence Service rate specified in Part 4, Section 2 for the appropriate access area. A \$2.43 Touch-Tone credit per dormitory station line will be applicable.

C. RATE AND CHARGE APPLICATION**1. Station Line**

- a. The monthly rate for the station line includes the local loop rate and the rate applicable to the basic features. Service charges specified in Part 3 are applicable for station lines.
- b. The station line is provided as a complete service. Neither the local loop portion nor the unregulated basic feature package will be provided as a separate entity.
- c. The local loop may be provided under a month-to-month arrangement at the rates specified in the 1-25 band of the local loop matrix.
- d. The monthly rate for the local loop, excluding loops used for resale, sharing or aggregating, must be set equal to the price per loop shown in the Centrex Local Loop Matrix for the number of loops required.
- e. Where there are unaffiliated end users on the same Centrex system, all local loops used to provide services for resale, sharing or aggregating will be provided from the 1-25 band of the local loop matrix regardless of the number of loops required, number of end users or the length of the contract.
- f. The Inter-state EUCL is applicable per station line as specified in Ameritech Operating Companies Tariff F.C.C. No. 2, Section 4.
- g. The rate and charge application for station lines terminated outside the wire center area that serves the system and for additional appearances of a station line are specified in this Guidebook.
