A. Calling Party Number Blocking

(C)

Calling Party Number Blocking provides telephone customers with the capability to prevent the disclosure of the calling telephone number on calls made to an exchange service equipped with Caller ID and other Advanced Custom Calling services where the calling party number may be disclosed. Calling Party Number Blocking is available on a per call basis for residence and non-residence customers. Calling Party Number Blocking is available on a per service basis for residence and non-residence customers.

Per call Calling Party Number Blocking is accomplished by the customer dialing an activation code (*67 for Touch-Tone and 1167 for rotary dial pulse) prior to placing each call for which blocking is desired. Per call blocking is automatically provided without charge to all customers in central offices equipped to offer Caller ID or other Advanced Custom Calling Services where calling party number may be disclosed.

Calling Party Number blocking, (per-call or per-line) automatically prevents the display of the calling telephone number on calls dialed from an exchange service equipped with this option, except for calls made to 911 or to a party that subscribes to an ANI or charge number based service and the call if paid for by the called party.

A. Calling Party Number Blocking (cont'd)

(C)

Per Line Calling Party Number Blocking automatically prevents the display of the calling telephone number on all calls dialed from an exchange service equipped with this option. It is not necessary to dial an activation code prior to placing the call. After being informed of their blocking options by the Company, customers may subscribe to Per Line Blocking at the rates set forth in the AT&T Ohio Guidebook.

(C)

No business, organization or other person may use Calling Party Number Blocking where the primary purpose is to make telephone solicitation calls. The term "telephone solicitation" means the initiation of a telephone message primarily for the purpose of encouraging a person to purchase, rent, or invest in property, goods, or services or to donate to any charity or similar organization or entity without that person's prior express invitation or permission.

Blocked Calling Party Number Identification will be delivered to certain qualifying customers as described in FCC Memorandum Opinion and Order, CC Docket No. 91-281, adopted January 4, 2002. Such customers must certify to the Company compliance with the waiver order's eligibility requirements.
