1. ESTABLISHING AND FURNISHING SERVICE (cont'd)

1.6 Overtime

The service connection, move, change, installation and nonrecurring charges specified in this tariff contemplate work being performed by the Company during the usual working hours on normal working days. When, at the specific request of a customer or applicant for service, work is performed at other times, either for the convenience of the customer or applicant for service or for other reasons not under the control of the Company, the expense incurred by the Company in excess of the normal expense of such work, when performed during usual working hours on normal working days, may be billed to the customer or applicant for service, in addition to the charges otherwise applicable.

2. PAYMENT FOR SERVICE

2.1 Customer Responsibility

The customer is required to pay all charges for service and facilities in accordance with the Company's billing and collection practices. The customer will be held responsible for all charges for telephone service rendered in connection with local or toll messages placed from his station and in connection with toll messages received at his station on which the charges have been reversed with the consent of the person called.^{/1/}

(T)

2.2 Thirty Day Month

For the purpose of computing charges for facilities and service, and allowances for interruptions in service, every month shall be considered to have thirty days.

2.3 Advance Payments and Deposits

A. Advance Payments

The Company reserves the right to require applicants to make such advance payments as may be necessary for the protection of the Company's exchange and toll service revenues, as well as toll service revenues of an IXC for whom the Company is an authorized agent. The amount of the advance payment is credited to the customer's account as applying to any indebtedness under the contract.

^{/1/} Effective March 19, 2016, Collect, Person to Person and Bill to Third Number call types are discontinued.

B. TERMS AND CONDITIONS (cont'd)

Responsibilities of the Telecommunication Carrier (cont'd)

The Telecommunication Carrier is responsible for designating to the Company at the time of its initial service request for SPNP service one of the following options for the handling and processing of Calling Card, Collect, third party, and other operator handled non-sent paid calls^{/1/} from or to SPNP assigned telephone numbers: (1) the Connecting-Carrier may request that the Company block all such calls; (2) the Telecommunication Carrier may accept billing from the Company for such calls; or (3) the Telecommunication Carrier may negotiate a separate, detariffed billing and collection agreement with the Company establishing the call handling, processing and billing responsibilities of the parties. (T)

Limitations of Service

The Company is not responsible for adverse effects on any service, facility or equipment from the use of SPNP service.

End-to-end transmission characteristics may vary depending on the distance and routing necessary to complete calls over SPNP facilities and the fact that another carrier is involved in the provisioning of service. Therefore, end-to-end transmission characteristics cannot be specified by the Company for such calls.

The Company is not responsible to the Telecommunication Carrier if necessary changes in protection criteria or in any of the facilities, operation, or procedures of the Company renders any facilities provided by a Telecommunication Carrier obsolete or renders modification of the Telecommunication Carrier's equipment necessary except as otherwise required by the Public Utilities Commission of Ohio.
