1. General

Where a Customer requests Special Service Arrangements (SSA) not offered under existing interstate tariffs, and after detariffing, from those offered to the mass market, The Company may offer Services to Customers for terms and conditions and for rates and charges that differ from those stated in existing interstate, and after detariffing, from those offered to the mass market. The Company will offer these Special Service Arrangements (SSA) to meet the diverse communications requirements of the Company's customers.

Individual contracts will specify the applicable terms and conditions, rates and charges, and the length of the term plan agreement. The terms and conditions and rates and charges are available under contract to similarly situated Customers for a period of thirty (30) days following the effective date of the SSA of the initial Customer for whom the SSA was designed, unless otherwise specifically provided for in the SSA. Similarly situated customers enrolling in a SSA must agree to service installation no more than thirty (30) days after contracting to receive services under a SSA.
