- A. BellSouth Business Plus Service
  - 1. BellSouth Business Plus service is offered as a business individual line service where facilities and equipment are available.
  - 2. BellSouth Business Plus service allows the business customer to choose between two LATA-wide<sup>1</sup> calling options:
    - a. Option 1 - Flat rated plan which allows for unlimited calling within the LATA (subject to a total usage allowance of 120 hours/7200 minutes).
    - b. Option 2 - Combination rated plan which provides for unlimited usage within the basic service area for a flat monthly charge, and a single rate for each minute of use for all other calling within the LATA.
  - 3. The option chosen by the BellSouth Business Plus service subscribers will apply to each of their lines.
  - 4. Touch-Tone Calling service is provided to all BellSouth Business Plus service subscribers at no additional charge.
  - 5. All of the terms, conditions and limitations specified for each offering apply to the respective services and features.
  - 6. Usage rating is dependent upon the underlying service of the originating call location. When BellSouth Business Plus service usage charges as described in paragraph 2 are applicable, they will also apply to 1+, 0+ and 0- calls made within the LATA. However, for 0+ and 0- calls, usage does not contribute toward the Option 1 usage threshold and each minute of use is rated. The appropriate operator services surcharges will also be charged in accordance with the terms and conditions of A.3.8. (M)
  - 7. BellSouth Business Plus service Option 2 service customers only may subscribe to Local Usage Detail for billable usage. There is no charge for the Local Usage Detail. (M)

This value is then multiplied by the rate per minute for the rate option selected by the customer. The resultant amount is truncated to whole cents for each call. The amount of usage billed to the customer is subject to paragraphs b. and c.
    - b. For Option 1, only usage above the first 120 hours (7,200 minutes) of usage allowance is billed to the customer. (M)
    - c. For Option 2, only usage outside the Basic Service Area is subject to the billing as described in paragraph a. (M)

#### A103.45.3 Term Plan

- A. The Complete Choice for Business package Term Plan is available for any business customer who subscribes to a Complete Choice for Business package.
- B. Complete Choice for Business package Term Plans offer discounts off rates shown in A103.45.2 preceding. If the Subscriber does not renew the Subscriber Election agreement for another term or at the expiration of the renewed term, the Subscriber agrees to pay the full rates for the individual package components.
- C. The 12-month term is also available as a 12-month oral agreement with option to re-subscribe. If the customer selects the 12-month oral agreement with option to re-subscribe, the plan will renew for 12-month intervals. A maximum of two 12-month renewals are available after the first 12-month term. The customer will receive written notification of their selection outlining the details of the agreement, plus subsequent notifications regarding their re-subscription options beginning approximately one hundred and eighty (180) days prior to the expiration of each 12-month term depending upon the subscriber's billing cycle. The customer is under no obligation to re-subscribe after completion of a 12-month term period. Customers will be provided the discounts established in the first 12-month term for both successive 12-month terms.
- D. A termination liability will be assessed to a subscriber who terminates the service prior to the expiration of the term commitment. It is at the Company's sole determination whether a product change satisfies the requirements for waiver of the termination liability under this clause; or (3) the customer chooses to terminate their agreement and to negotiate a new Complete Choice for Business package agreement with a term period greater than the time remaining on the existing Complete Choice for Business agreement. The new service agreement will be based on the discounts in effect at the time of establishing the new agreement.

If during the Term, an AT&T ILEC Service (referred to as the "Terminated ILEC Service") provided under a Complete Choice for Business Package Agreement is migrated to a qualifying AT&T Business Voice over IP (BVoIP) Service or to a qualifying AT&T Mobility Service (referred to collectively as the "Replacement Service"), then the Early Termination Charge associated with the Terminated ILEC Service will be waived provided:

- 1. the Terminated ILEC Service has been installed at the Customer site for no fewer than 3 months; (N)
- 2. the Term of the Replacement Service agreement is equal to or greater than the remaining term for the Terminated ILEC Service; (N)
- 3. the Replacement Service is installed or available at the same Customer sites as the Terminated ILEC Service; (N)
- 4. the Replacement Service is contracted for in the same relative quantity(ies) as those Terminated ILEC Services being displaced; and (N)
- 5. activation of the Replacement Service at the Customer sites or for Customer use at such Customer Sites occurs within 90 days of termination of the ILEC Service at that site. (N)
