2. Discounted monthly rates for any other combinations of the services provided in Complete Choice Enhanced on the same access line, as specified elsewhere in this guidebook, do not apply under Complete Choice Enhanced.
3. All features must be purchased on the same line in order for the customer to be eligible for Complete Choice Enhanced pricing.
4. The Call Management non-recurring Service and Equipment Charges will apply when the customer initially subscribes to the package and must add one or more Call Management services to create the package on the line. The charges will not apply if the customer is changing from another feature package to Complete Choice Enhanced on the same order.
